

# PRAY FOR ETHIOPIAN CHRISTIANS!

Our brothers and sisters  
need our support

This month we pray for our brothers and sisters in Ethiopia who face persecution for their faith. Please bring them before the Lord:

- Pray that we can serve Muslim Background Believers with the Word of God and Biblica's Scripture resources effectively.
- Pray for outreach programs to persecuted people in our community through the *Reach4Life* teen program and the *Survivors* youth booklet.
- Pray for peace and stability in the country so that the suffering of people will stop, and pray also for our planned ministries to go smoothly and bring impact.
- Pray for God to open doors for Biblica and other faith-based institutions to work in partnership for the restoration of the nation by the transforming power of the Word of God.

ALL IN  
ALL TOGETHER
